Sir:

INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 CFR 1.56(a), the Applicant submits herewith a completed United States Patent Office Form PTO 1449 together with one copy of each reference listed therein. It is respectfully requested that the references be expressly considered during the prosecution of the subject application and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56. No representation is made that the information thus disclosed constitutes an admission that any patent, publication, or other information referred to is, or is considered to be, material to the patentability of this invention. Further, the filing of this statement should not be construed as a statement that a search has been made or that no other material information exists.

This Information Disclosure Statement is being filed within three months of the United States filing date or before the mailing date of a first official action on merit. No certification or fee is required.

Each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing of this statement. A copy of the communication dated June 22, 2001 from the European Patent Office together with a copy of the International Search Report is also enclosed.

As this Information Disclosure Statement is being filed before the mailing date of a first official action on merit, no fee is believed due. However, in the event that a fee is due, please charge our Deposit Account No. **50-1644** to cover these fees.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'T. Gary O'Neill', is written over a horizontal line.
